

ordering your included prints

How do I order my prints?

you will find a print order sheet included in the box with your proof book and master USB drive

Please use the print order sheet or a similar format to order your included prints. Be sure to note the quantity, image number, size, and any requested alterations or edits for each print you are ordering. If you are returning the order sheet in the mail, please send an email letting me know that it is coming. Turnaround time for print orders is usually 2-4 weeks, depending on the time of year.

You may order the prints included in your package at any time. Your master files are stored in an accessible place for 2 years. After 2 years, your files are archived and you will be charged a unarchival fee of \$100 in order to have me print those for you.
